When Jim looked for a job, Nick told him to ask Mr. Ryan. Nick said that Mr. Ryan was needing a good driver. But when Jim came to his office, Mr. Ryan said that they didn't hire at the present time. Jim asked Mr. Ryan if someone else needed a driver. Mr. Ryan said, "You know, I were just thinking about Mr. Jason. You should ask him." Jim thanked him and was coming to Mr. Jason. "Actually, Jim, I was looking for a truck driver", he said. "No problem, I can drive anything. Here is my driving license." While Mr. Jason read his CV and license, Jim said, "I have ten years experience." "Okay, then.

You're hired."
